Remember to sign the form and enclose a copy of your 2008 accounts, the audit certificate and the Trustees' Report.

Please note that the correct answers will probably already be on your form and it is possible that they are not the answers you gave last year.

SHQ and OSCR sat down during the year to decide on the correct answers for **all** units in Scotland. This makes it easier for OSCR to know that all guiding units know how to complete the form and they (OSCR) do not have to make corrections to them. Please do not decide to be different!
